

RETURN GUIDELINES:

All merchandise shipped from our warehouse leaves here in perfect condition. In the unlikely event that you should doubt the quality of an item, you must notify us within 72 hours of receiving the merchandise to obtain a return Authorization Number. Merchandise that will be returned or refused by customer without authorization, will be subject to 50% restocking fee or \$15 whichever is more. "Collector items" on limited serial number sales are not returnable. Once you have obtained an Authorization Number, you should mark it clearly on the package next to the address label. We are not responsible for merchandise returned without an Authorization Number. Any package returned without an Authorization Number will be refused. All authorized returns must be received within ten (10) business days after authorization issuance.

Credit for any returned item which is a part of a "combination sale" shall not exceed the purchase price of the lesser value item. When the original order included a free item, a return can not be made without returning the free item as well. If the free item was not returned, its regular price shall be deducted from the credit. When the original order included free shipping, the cost of ground shipping will be deducted from the credit for any returned item.

We do not accept items returned outside their original box** and will not accept cut or partially smoked cigars. All returned items must still be in condition to be sent back to the manufacturer. We reserve the right to refuse or prorate credit for any returned item received in inadequate condition.

Shipping outside the US- Any return of merchandise that was shipped to customers outside the USA is the responsibility of the customer. All such customers need to arrange and pay to return any merchandise. Mikes Cigars will not cover the costs of returns from abroad.
